

# KAMAL MAHATARA

Merlin Street, Neutral Bay, NSW 2089 | 0451 023 917 | kamalkshetri45@gmail.com | linkedin.com/in/kamal-mahatara

## PROFESSIONAL PROFILE

IT professional with hands-on experience supporting Microsoft 365, Azure Virtual Desktop (AVD) and hybrid Active Directory environments in a multi-site organisation. Holds Microsoft Certified: Azure Fundamentals (AZ-900) and Microsoft 365 Fundamentals (MS-900), with practical exposure to identity management, email security, endpoint support and infrastructure troubleshooting. Adaptable, detail-oriented and committed to building deeper expertise across networking, cloud services and enterprise IT support.

## TECHNICAL SKILLS

**Cloud & Modern Workplace:** Microsoft 365, Azure Virtual Desktop (AVD), Entra ID, Exchange Online, Intune

**Identity & Security:** Entra ID / Conditional Access, MFA & passkey enforcement, Proofpoint email security, access control

**Infrastructure:** Windows Server 2019/2022, Active Directory (hybrid AD/Entra Connect), FSLogix profile management, virtualisation

**Networking:** TCP/IP, LAN/WAN, DHCP, DNS, OSPF/RIP/EIGRP, routing & switching fundamentals, VoIP troubleshooting

**Scripting & Tools:** PowerShell automation, AMS & Zendesk ticketing systems

## CERTIFICATIONS

- Microsoft Certified: Azure Fundamentals (AZ-900) — Microsoft
- Microsoft 365 Certified: Fundamentals (MS-900) — Microsoft

## EMPLOYMENT HISTORY

### ICT System Support Officer

November 2025 – Present

Just Better Care Australia — Manly, NSW

- Provide day-to-day ICT support across a Microsoft 365 and Azure Virtual Desktop (AVD) environment for a multi-site franchise organisation.
- Manage FSLogix profile containers, resolving profile bloat, disk sizing and session stability issues affecting AVD users.
- Administer a hybrid Active Directory / Entra ID environment, including Entra Connect sync, Conditional Access and MFA/passkey enforcement.
- Configure and troubleshoot Exchange Online and the Proofpoint email security gateway, including delivery investigations and phishing/BEC analysis.
- Completed a Microsoft 365 licence audit across franchise locations, producing structured reporting to support licence tier optimisation.
- Automate routine administrative tasks using PowerShell for Active Directory and Exchange Online management.
- Support VoIP and network connectivity troubleshooting, and manage the Zendesk ticketing system.

### IT Support and Help Desk Intern

July 2025 – November 2025

Extratech Pty Ltd — Hurstville, NSW

- Provided Windows 10/11 troubleshooting and hardware/software support for students and clients.
- Configured and supported Microsoft 365 and Azure services (Outlook, Teams, SharePoint).
- Managed user accounts, email setups and licence assignments during onboarding/offboarding using the AMS Ticketing System.
- Assisted with Active Directory administration and Intune software deployment under senior IT supervision.

### Customer Service

July 2024 – November 2025

North Annandale Hotel — Annandale, NSW

- Delivered prompt customer service via phone, email and chat, resolving inquiries and complaints to ensure satisfaction.

### Chef de Partie

March 2018 – June 2024

Buena Vista Hotel — Mosman, NSW

- Prepared dishes to consistent quality and portion standards, and mentored new staff in food prep, sanitation and safety procedures.

## EDUCATION

---
